

Ten Characteristics of a Tenacious, Successful Life -

Tenacity is a deadly weapon in the heart of God's Devil Stompers.

1. God's devil stompers stay focused on what they can do, not what they are going through.
2. God's devil stompers do whatever it takes to remove obstacles on the way to success.
3. God's devil stompers pursue completion... but not necessarily perfection.
4. Everyone stumbles... but God's devil stompers get back up and keep stomping.
 - Devil stompers refuse to accept defeat as long as God is in it.
 - In times of weakness, God's devil stompers look to His strength.
 - Devil stompers feast on His Word and drink of His faithfulness.
 - In times of temptation, God's devil stompers just say "No!"
5. God's devil stompers know they don't decide their futures. They decide their habits and their habits decide their futures.
 - God's devil stompers are well able to look at themselves objectively. They willingly see their flaws and quickly make adjustments. That's why they are devil kicking, obstacle removing winners and champions for Jesus.
 - God's devil stompers are habit-forming people. They are habitually found to be tenacious in the Christ-like testimony of their lives.
6. God's devil stompers position themselves for blessings and refuse to be moved.
 - God doesn't send the blessings to you. He sends your blessings to where you are supposed to be - to where you can display your tenacity.
 - God's devil stompers tenaciously seek the voice of God... so they will know the will of God... so they can find and deliver the blessings of God.
7. God's devil stompers defend their ground.
 - Unless Satan is on the attack, you're not functioning as a devil stomper. Satan is not interested in toppling losers. They're already at the bottom. He wants to knock you off the high ground. Just remember, Jesus has His foot on Satan's neck!
 - God's devil stompers stand when it's easy to run. They stand when it's easy to surrender. They stand when it's easy to fall. Having done all to stand, they stand!
8. God's devil stompers watch their mouths. They speak life and not death.
 - They are careful of what they reveal and to whom they reveal it. God's devil stompers never discuss their problems with someone who is not capable of helping to solve them. God's devil stompers submit themselves to people who can cover them spiritually and provide wise answers to serious questions.
 - They speak great things for God. They position themselves to hear great things from God.
9. God's devil stompers refuse to just "be." God's devil stompers are "becomers."
 - Devil stompers engage themselves in the process of becoming all God has designed them to be. Devil stompers understand the value of learning and changing. Devil stompers are truthful, transparent, teachable, tender, and trustworthy... and tenacious. This is because they are God's devil stompers!
 - They live Gospel lives first; and second, stomp devils at every opportunity.
10. God's devil stompers tenaciously seek out and fulfill their call from the Lord.

If you were arrested for being a devil stomper for the Lord, would there be enough evidence to convict you?
