

“Caleb told the people to be quiet and listen to Moses. Caleb said, “Let’s go now and take possession of the land. We should be more than able to conquer it.” {31} But the men who had gone with him said, “We can’t attack those people! They’re too strong for us!” {32} So they began to spread lies among the Israelites about the land they had explored. They said, “The land we explored is one that devours those who live there. All the people we saw there are very tall. {33} We saw Nephilim there. (The descendants of Anak are Nephilim.) We felt as small as grasshoppers, and that’s how we must have looked to them.””
